Welcome friends to this first edition of the Network 7 bi-monthly newsletter. We are an Adventist business and ministry, helping churches connect with their congregation and community through technology. We provide video, audio and interest services to help you create image videos, member/staff training, documentary, promotional pieces to represent your organization through media. We appreciate your prayers and business as God leads and grows this tool.

**Upcoming Purchase of a Bus**

Funds are being raised to purchase a bus complete with a full scale production studio. This purchase will enable Network 7 to travel across America, bringing media to your ministry, business and organizational events. Please pray that God guides our search and provides resources.

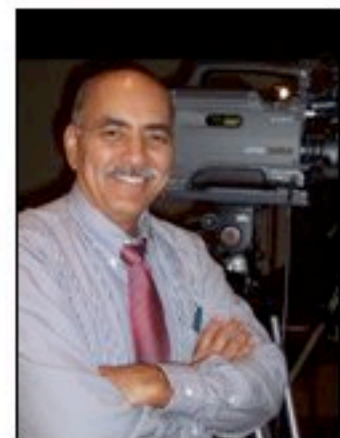

**Network 7 Becomes ASI Member**

*Sharing Christ in the Marketplace* is the mission of ASI (Adventist-Laymen's Services and Industries). As one of its newest members, we know our ministry parallels its purpose. ASI brings together ministries and businesses, and highlights members through testimonies and featured businesses. "ASI is a huge networking organization which truly connects you with your target audience," says Joy McKee, VP of Communications for the Southern Union ASI.

**Meet a Member of Our Team**

A native of Puerto Rico, Vincent Lopez relocated to the United States as a child. Since graduating from Andrews University, Vincent has worked in the areas of sales, teaching and fundraising. For over 20 years he has dedicated his life to children's ministries through Pathfinders and mission trips.

Vincent and his wife recently moved to the Chattanooga, TN area when he accepted the position of Development Director. They are the proud parents of two adult children. Vincent brings with him enthusiasm for youth ministry, and he knows God will use this ministry to bring many to Him.

Vincent Lopez  
Development Director

**Our mission is to communicate light and love.**
