At the stroke of midnight on New Year's Eve, the whole world celebrates; saying goodbye to the old year, leaving behind the past failures, mistakes and regrets while welcoming in the new year full of possibilities, opportunities and resolutions. Good intentions are not always enough to keep our dreams for the year afloat. As the days, weeks, and months pass we often fail to fulfill our resolutions. We then have to wait until the next new year to move these failures behind us and create a clean slate. But as believers we are assured we only need to ask in order receive a new slate, not wait for a date. King David reminds us in Psalm 51, God will blot away our transgressions, create in us a new heart and renew our steadfast spirit. All we need to do is ask.

Projects in Progress

This boy celebrates his baptism with his pastor, joy is written all over his face.

Adventist churches in Mexico are on fire for Jesus and they are showing it in a very public way. Recently Network 7 was blessed to witness over 1200 people submit their lives to Jesus in a group baptism. There we had an opportunity to speak with Conquistadores (Pathfinders) who love the program and yearn to have a camp of their own to hold camporees, a luxury our youth enjoy here in the United

States. God opened many doors during this visit to Mexico. Our cameras were allowed into places rarely video tapped, and to our knowledge this was the first Adventist film crew allowed to many of the historic sites we shot. All this and much more can be seen on the 2nd quarter of *Mission: SONlight*. Watch for it at your home church and see how YOUR 13th Sabbath offering is changing the world.
