Hezekiah did it and we don't want to. When the visitors came calling to see Hezekiah, he showed them all the good things God had supplied, but forgot to tell them that God is good! Through these newsletters we hope to just form a pattern of praise for what God is doing for Network 7 and the ministries that we are serving. Hezekiah forgot that pattern and we don't want to! Remember James 1:17, Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning.

As Communications Director Tina Segarra is involved with written communication, special events and grant writing now that Network 7 has received Not-for-Profit status. Tina and her husband Angel have a passion for children's ministry; working with Pathfinders, Sabbath School, Adventures, Kids In Discipleship, and Vacation Bible School. They enjoy spending every moment possible with their blessings from God, two vivacious boys. Tina's prayer is for God to use this ministry and it's staff to proclaim His message throughout the world so Jesus can return very soon in the clouds of glory.
