Each new day we are faced with countless decisions to be made. What should I wear? What should I eat for breakfast? What route should I take to work to arrive on time? Joshua tells us the most important decision we must make every day is to “choose you *this* day whom you will serve,” Joshua 24:15. Is there a more vital decision could we face in a day? Be bold for God today as Joshua was and answer, “as for me and my house we will serve the Lord.”

### Amazing Adventure

Network 7 Media Center was invited by Doug Batchelor to join Amazing Facts at the taping of Amazing Adventure in September, a children's evangelistic campaign broadcasted internationally to millions via 3ABN. Network 7 was involved in interviewing participants, both children and adults And shooting B-roll, behind the scenes shots during live production. This footage will be used to promote Amazing Facts programming and of the Amazing Adventure DVD series. This was Network 7's 1st all HD project.

### Caribbean Class

Students learn hands on in  
CMP 101

While on the Campus of the University of Southern Caribbean in Trinidad in 2007 to tape the 2nd quarter 2008 edition of *Mission: SONlight*, Network 7 was invited to return to teach during the annual summer fine arts classes they provide their community. Over one hundred participants attended various classes. During Christian Media Production 101, an intensive 2 week course,

Network 7 staff taught students skills in shooting video and editing techniques. There is talk of Christian Media Production 102 next summer, we will wait to see what God has planned.

### Mission: SONlight in China

A recent trip to China had nothing to do with the 2008 Olympics. Network 7 was on location filming for 4th quarter *Mission: SONlight*. In spite of the mosquitoes, sleepless nights, and lost luggage, God was in control. Visit the [blog](#) to read more of the China adventure.
